

Lyric T5

A Home That Adapts to You

Jackson Rea

The Lyric T5 uses Geofencing technology to track when you're coming home and turns your heat on before you walk in the door.

The Lyric T5 can connect with your amazon Echo and Apple HomeKit to allow you to control the T5 with voice commands

amazon echo

Works with
Apple HomeKit

Smart Capacitive Touch Screen

Large Temperature Readout

Heavy Duty Aluminum Shell

The Wifi capability allows for connection and control by your smartphone anywhere in the world. It works on both android and IOS phones.
