

Fire Fighting Monitor

Helps save fire fighters lives

Detects:

- **Body temperature**
- **Smoke sensor**
- **Activity Tracking**
- **Weather Temperature**

Product Infrastructure

- **Easy to use hand band**
- **Waterproof**
- **Uses battery and body temperature**

Sensors

- **Temperature**
- **Velocity**
- **Smoke**
- **Respiratory**
- **Position and Acceleration**

Connectivity

- **Bluetooth**
- **Wifi**
- **Radio**

Analytics

- **Data from sensors detect intensity of fire**
- **Sensors detect amount of water needed to kill fire**
- **Fire fighter heart rate incase of danger**

Applications

- **Handband**
- **Smartwatch**
