

NEST CAM: OUTDOOR

NEST CAM: OUTDOOR IS A GREAT NEW PRODUCT FROM NEST DESIGNED TO WATCH OVER YOUR HOME WHILE YOU ARE AWAY OR TO GIVE YOU AN EXTRA SET OF EYES WHILE YOU ARE AT HOME. AS A SOUTH AFRICAN I SEE THIS AS A GREAT PRODUCT BECAUSE WE DO HAVE A CRIME PROBLEM. SOMETHING THAT IS SMALL AND CONNECTED LIKE THIS DEVICE CAN GIVE YOU EXTRA PEACE OF MIND WHILE YOU GO ABOUT YOUR EVERYDAY LIFE.

MY THOUGHTS

THIS IS A DEVICE THAT IS A MUST FOR ANY FAMILY. HAVING A CAMERA THAT CAN TELL YOU WHEN SOMEONE IS NEARBY AND LET YOU COMMUNICATE WITH THAT PERSON IS PRICELESS.

BREAK-INS USUALLY HAPPEN WHEN YOU ARE NOT HOME BECAUSE THE EVERYDAY CRIMINAL WILL ATTEMPT A ROBBERY WHEN YOU ARE OUT. THIS CAMERA IS JUST AN EXTRA LAYER OF DEFENCE WHERE YOU CAN EVEN COMMUNICATE WITH THE PERSON AND MAYBE MAKE THEM THINK TWICE ABOUT THEIR DECISION.

IF YOU MISS A NOTIFICATION OR THE CRIMINAL PROCEEDS WITH THE CRIME YOU HAVE HD FOOTAGE TO HAND OVER TO THE AUTHORITIES TO HELP THEM APPREHEND THE SUSPECT.

I LOVE THIS PRODUCT AND THINK IT WOULD MAKE LIFE EASIER AND JUST A LITTLE SAFER IN SOUTH AFRICA.
